

REGULATION 4
COLLEGES

Current version with effect from: 1 Apr 2024
Approved by: Council
Approval History: 13 Mar 2024

- 4.1 By this Regulation, the Council provides for the designation of institutions as Colleges of the University in accordance with section 23 of the *University of Divinity Act 1910*.
- 4.2 To become a College an institution must make application in the form prescribed by the Council from time to time and pay the application fee decided by Council.
- 4.3 Each application must be referred to Academic Board. In deciding whether or not to designate an institution as a College, the Council must have regard to the recommendation of Academic Board.
- 4.4 The minimum requirements for the designation of an institution as a College are:
- a) the objects of the institution are consistent with the objects of the University;
 - b) the institution must have academic staff with academic qualifications which in the opinion of Academic Board are sufficient to ensure adequate instruction can be provided for at least one award of the University;
 - c) the institution must have access to a library which in the opinion of Academic Board is adequate to support studies in the awards of the University the institution intends to provide;
 - d) the institution must have a demonstrable commitment to scholarly research and public engagement to support the University in meeting its objects;
 - e) the institution must demonstrate it possesses adequate administrative and physical infrastructure to support its students and staff in learning, teaching and research, to support the academic and administrative work of the University, and to assist the University in meeting its external obligations; and
 - f) the institution must demonstrate its financial viability and sustainability.
- 4.5 A College of the University must at all times have:
- a) a formally constituted governing body that exercises competent governance oversight of and is accountable for all of the College's operations
 - b) a formally constituted academic committee that is accountable to the University for academic quality assurance and includes at least one independent member with relevant academic expertise (such a person may be associated with another College of the University)
 - c) an officer designated for the University's purposes as the Principal of the College, with executive responsibility for the College's operations

- d) an officer designated for the University's purposes as the Academic Dean of the College, with responsibility for the College's academic operations, provided that a person may not be designated as both Principal and Academic Dean of the College except in a temporary capacity for a period of no more than six months
- e) an officer designated for the University's purposes as the Registrar of the College, with responsibility for student records
- f) an officer designated for the University's purposes as the Research Coordinator of the College, with responsibility for the research culture of the College
- g) at least one officer with responsibility for providing course advice for current and prospective students of the University in accordance with the University's Regulations and policies on admissions and enrolments.

4.6 An Agreement between the University and the College may be signed and the Seal of the University affixed to the Agreement only after an application for designation as a College of the University has been approved by the Council. The Council may include in the Agreement such terms and conditions to the designation of an institution as a College as it considers necessary or desirable. The Agreement must specify procedures for its amendment, and establish penalties for failure to comply with its terms and conditions.

4.7 The Agreement between the Council and a College must be reviewed by the Council within seven years of the date of the initial Agreement or the date of the most recent review, whichever is earlier.

4.8 The Council must maintain a College Review Policy to ensure that an annual review of each College is conducted for the purposes of quality assurance and maintaining a good relationship between the College and the University, with the outcomes reported to the Council and the College.

4.9 Council designates the following institutions as Colleges of the University:

Australian Lutheran College

Catholic Theological College

Eva Burrows College

Pilgrim Theological College

St Athanasius Coptic Orthodox Theological College

St Barnabas College

St Francis College

Trinity College Theological School

Uniting College for Leadership and Theology

Whitley College

Wollaston Theological College

Yarra Theological Union

- 4.10 Academic Board must decide the awards of the University each College is accredited to offer, and the modes in which each award may be offered by each College. Where Academic Board accredits a College to offer an award or awards in partnership with one or more other Colleges of the University, it must specify those arrangements in the Schedules to this Regulation.
- 4.11 The Council has the power to withdraw the designation of an institution as a College of the University.
- 4.12 The Council must notify all Colleges of the University of any amendment to this Regulation at least thirty calendar days prior to enacting any such amendment.

SCHEDULE TO REGULATION 4

COLLEGES
