(Academic Citizenship)**

Criteria

Academic Staff Policy: <https://divinity.edu.au/wp-content/uploads/2016/09/Academic-Staff-Policy.pdf>

Section 9 : Academic Classification and Promotions and Schedule A

Learning and Teaching					
	Level A	Level B	Level C	Level D	Level E
Overall expectation	<i>Receives support and guidance from senior colleagues while fulfilling their academic role</i>	<i>Demonstrates independence and initiative in fulfilling their academic role</i>	<i>Develops, leads and innovates in their academic role</i>	<i>Leads, innovates and mentors ECR and mid-career academics</i>	<i>Exercises, sustains and fosters academic leadership and innovation</i>
Context	<i>College and Discipline Group</i>	<i>College, Discipline Group and working towards University overall</i>	<i>College, Discipline Group and University, working towards national involvements</i>	<i>College, Discipline Group and University, working towards national and international involvements</i>	<i>College, Discipline Group and University, national and international involvements</i>
Applicants should demonstrate they fulfill the overall expectation for the level of classification they are seeking in relation to the relevant context. The following specific criteria will be helpful in making a case. Achievement against criteria at earlier levels deepens and extends at later levels, and candidates for later levels should bring track record of achievement in the earlier levels. Applicants may also draw attention to other relevant criteria.					

*The grid in schedule A of the Academic Staff Policy gives criteria in each category and **examples** of the activities that support classification at each level.*

Learning and Teaching
